A NOTE FROM THE TOWN SUPERVISOR

Welcome to the Winter 2026 season. As the first snowfall blankets our town and the winter months settle in, we hope you enjoy the beauty and quiet of the season. Here are some updates and reminders to help you stay informed and make the most of this winter.

Our Town Board work sessions and regular meetings are once again being held in person at the Town Municipal Building. We invite all residents to join us on the second Monday of each month at 6:30 p.m. Your participation truly makes a difference. Attending these meetings offers you a firsthand look at the dedication and hard work your Town officials carry out on behalf of the community.

Please stay alert to changing road conditions throughout the winter months. Snow, ice, and reduced visibility can make travel hazardous. The Highway Department works hard to keep roads clear and safe, so please give plow trucks ample space and avoid passing them while they are operating. Your caution helps protect both you and our crew members.

Please keep all snowmobiles on designated, marked trails throughout the winter season. Staying on approved routes helps protect private property, preserves wildlife areas, and ensures everyone's safety.

Your involvement in the Town is essential. The Town Board members are committed to serving every member of our town, but that is done best when we work together. Your voice matters, and your presence ensures that your concerns and ideas are heard.

Deerfield thrives when we come together as an engaged, supportive community. Let's continue collaborating to strengthen and enrich our town, keeping it a place we're all proud to call home. Enjoy the snow!!

Warm regards,

Gregory Sacco
Town Supervisor

A MESSAGE FROM YOUR HIGHWAY DEPARTMENT

The Highway Department hopes everyone had a great holiday season and everyone is in good health. With winter weather starting early this year, the Highway Department would like to remind everyone as winter continues, please drive with caution; road temperatures are varying and can cause slick spots on the roadways and black ice could occur. As the snow piles up, the Highway Department has a few reminders for everyone. Please keep cars off the street during overnight hours, this will help the Highway Department clear the streets more efficiently. In May 2009, our town adopted local law # 1-2009 which states that parked or abandoned vehicles on any public highways in the Town of Deerfield during snowstorms, floods, fires, or other public emergencies can be removed at the owner's expense. The town also has local law # 1-2005 prohibiting no overnight night parking on Town of Deerfield roads. As winter progresses over the next few months, snow plowed across the road builds up and takes up part of a lane in the road so traffic needs to go around it, **PLEASE DO NOT PUSH SNOW ACROSS THE ROADWAY.** This could cause an accident, and the person pushing the snow in the road could be held liable if damage happens to a vehicle. With winter weather just starting out, keep in mind the type of tires you have on your car. All season tires are not the best tires in snow and ice; snow tires work the best in the winter months. Please keep trash cans clear of the curb so the plow or snow coming off the plows won't knock them over.

When winter snowbanks start to get higher, our children like to play in them and dig tunnels. Please remind them how dangerous this can be, as the plow drivers can't see the kids playing and we would not want to see any of our children get hurt.

The highway department hope everyone had a fun filled summer and enjoyed the nice summer weather we had this year. The Highway Department had a very ambitious road construction season in 2025 and completed most of our projects in November. The Highway Department is planning another busy year in 2026; we will be working on fitting the 2026 projects into the highway budget over the next few months. We will be splitting the construction season again year between maintenance and construction projects in 2026. The Highway Departments leaf vacuum worked well this season, this a single person operation which allowed us to work on other projects at the same time, we were able to make several passes around town over several weeks to collect the leaves. We will be around at spring clean-up to get any leaves that fell late after equipment was stored away for the season.

The Highway Department's trash collection site at the firehouse and the Highway Garage have worked out for everyone and has been well attended. We are going to continue to have a Saturday drop off in the spring of 2026 and a fall collection at the highway garage. Trash can be brought to the Town Highway Garage during our normal work hours throughout the year; just call (315-826-7014) so we can have someone there to help you load items into the dumpster. The Highway Department business hours are M-F 7:00AM to 3:30 PM. **Please do not drop off trash items after hours.**

Going back a few years to around 2012, some may remember me talking about the consent order from DEC on sewer overflows at the Oneida County Wastewater plant. In thirteen years, there has been 300 million plus dollars of upgrades to the wastewater plant and pump station upgrades. The County added a new sewer main going to the plant and miles of main repairs. Still in wet weather times the County has had a few overflow occasions, they know there is ground water getting into the system through piping and sanitary sewer manholes. The county also has flow meters installed and are aware there is water coming from privet homes with sub pumps, foundation drains and roof drains getting pumped into the system. In a meeting on 12/17/2024 the committee is working on a way to get more water out of the sanitary sewer system. If a resident knows they are pumping water into the sewer system, please contact the Highway Department for some suggestions on how to remove the water. This problem is in every town going to the Oneida County Wastewater system. On November 19, 2025, I was at an Oneida County sewer district meeting. The group is talking about the next steps to take to remove more water from the sanitary sewer system.

We would like to thank everyone for a great year in 2025 and look forward to another great year in 2026. Thanks to all who remembered the Highway Department during the holiday season with the thoughtful cards, Christmas cookies, and food sent to us. It is nice to know we are appreciated.

Thank You,

Hope you had a blessed Christmas and great Holiday season.

The Highway Department

HIGHWAY DEPARTMENT DATES TO REMEMBER IN 2026:

April
6 – Start spring clean-up (Sweeping and picking up material from winter)
Weather permitting

May
2 – Trash (Firehouse Trenton Road 8am to 2pm)
4 – Green Waste

June
1 – Green Waste

July
6 – Green Waste

August
3 – Green Waste

September
1 – Green Waste

October
3 – Trash (Highway Garage 8 am to 2pm)
5 – Green Waste

November
2 – Green Waste / Leaf Collection

November green waste will only happen if the weather permits.

All Green waste throughout the year will be collected from a container at the curb to be dumped in a compactor. Brush shall be piled separately for collection by a different crew to be chipped. Limbs shall be no more than 10′ long or small enough to be handled by one person. Small green waste loose at the curb after spring clean-up will not be picked up.

Thank you for your cooperation!

NOTE FROM THE TOWN CLERK – Karen M. Day

Town Clerk Office

Monday Through Thursday 9 am – 4pm
315 724-0413 x 223
townclerk@townofdeerfield.org

Reminder: The Clerk's office is a single staffed office. Feel free to call before arrival to be sure it is open.

Services provided by the Town Clerk's office:

- Registrar Service
- Marriage licenses, Certified Marriage, Death and Birth Certificates, if the occurrence took place in the Town of Deerfield.
- NYS Parking Permit for the Disabled – Temporary/ Permanent tags
- Dog Licensing
- Wilderness Park Pavilion Rental Application
- Town & County Tax Collector during the first quarter of each year
- The Town of Deerfield no longer issues Hunting or Fishing Permits – Walmart and Bass Pro are the nearest sites to issue them.

TAX COLLECTOR

The job of Tax Collector falls under the position of Town Clerk, which takes place beginning in January and ending March 31st 2026. This makes the first quarter of the year outrageously busy in the Clerk's office.

Please be patient with me, as I try to accommodate your requests. My office is still basically a single staffed office.

Tax payments in person will be accepted, Tuesdays, Wednesdays, and Thursdays from 10:30 am – 2:30pm in my office. Closed on Fridays.

Your Tax payments can be made by Postal mail, 6329 Walker Rd Deerfield NY 13502 , in person or dropped off in the Security Tax box secured to the outside of the Municipal Building. This box is checked in the morning, afternoon, and evening.

Tax payments can also be made online, through the Town Website **only** (not in person). Please be aware that there is a convenience fee added to your payment. **NO CASH WILL BE ACCEPTED AT ANY TIME** for safety reasons.

- ***I never received my bill,*** or received it late; do I still have to pay the penalty? Yes, the failure to mail a statement or the failure of the property owner to receive a statement will not affect the validity of the taxes or interest prescribed by law (New York State Real Property Tax Law 922). In addition, neither the tax Collector nor any other official has legal authority to waive statutory penalty charges. These are fixed by the Real Property Tax Law. If they are waived, the collecting officer will be personally responsible. As all records are audited by State examiners, there is absolutely no discretion in this matter. The Constitution and the law of the State mandate this procedure.

PLANNING BOARD UPDATE

At the September regular meeting of the Planning Board the public hearing for the PathStone Deerfield Apartments Site Plan Review application was scheduled for September 24, beginning at 6 pm, at the Municipal Building. The public hearing was attended by over fifty residents. The Planning Board also reviewed a pre-application plan for a subdivision proposed by Gary DeStefanis Jr., 5652 Walker Rd. Discussion was held about the current moratorium on Battery Energy Storage Systems. The Planning Board requested that the Town Board extend the moratorium.

In October the Planning Board approved the Preliminary Site Plan Application submitted by PathStone Development for the Deerfield Apartments. The Planning Board also approved their recommendations to the Town Board for them to review in accordance with Article 13 of the Town of Deerfield Zoning Ordinance.

At the November Planning Board meeting members worked on the draft copy of the Battery Energy Storage Systems revised local law. Dates for the regular meetings for 2026 are:

- **January 7th**
- **February 4th**
- **March 4th**
- **April 8th**
- **May 6th**
- **June 3rd**
- **July 8th**
- **August 5th**
- **September 9th**
- **October 7th**
- **November 4th**
- **December 9th**

In December the Planning Board reviewed a proposed subdivision of the Golden property located on State Rt 8 near Poland, NY. The preliminary map was accepted and a public hearing will be held at 6 pm on January 7, 2026 at the Municipal Building to hear comments regarding this proposed subdivision. Mark Schieldman, representing the Iacovino Estate, inquired about subdividing the Estate which is located on Bell Hill Rd. and Smith Hill Rd. The Planning Board reviewed several scenarios with him. Review of the Battery Energy Storage Systems update is nearing completion. A final draft will be finished in January and sent to the Town Board for their review.

DEERFIELD SNOW TRAILS

DEERFIELD SNOW TRAILS Est. 2005

The season is nearly upon us! Trails should be ready to open Jan 1st at sundown. Look for the club's Facebook page for all updates regarding trail openings. It looks like we are off to pretty good start for another great season of riding in Deerfield and the surrounding areas as well with the recent snowfalls.

All snowmobiles using any trail system throughout NYS MUST be registered and insured to be on the trails this includes our trails. You can get a discount on your registration by joining a club. We'd prefer you join ours right here in Deerfield as the money we get goes entirely into the trails whether it be signs and bridges or fuel for the groomer.

Once trails are open, we ask you to please STAY ON THE TRAIL. Our entire trail system can only be had with the permission of our wonderful landowners who get nothing in return for allowing us to be there. The least we can do as riders is to respect their property. This includes staying the trail, going slowly in the areas where houses and driveways are close to the trail, and our #1 complaint LOUD PIPES. It is NYS law that a snowmobile exhaust system cannot be modified in any way. Please help us to keep the trails we have by respecting what is being asked. Trail closures lead to costly reroutes that sometimes cannot be found. If we begin to have issues, we will work with the Oneida County Sheriff and NYS DEC for enforcement as our volunteers have plenty to do without making more work.

Our club will be holding its Annual Chicken BBQ on Jan 17th, beginning at noon at the Eagles Club on Cosby Manor Rd. Get there early as we sell out fast.

Club meetings are held on the 2nd Tuesday of the month, 7pm, from now until Apr at the Eagles Club. Meetings are open to anyone looking to join or are already a member.

Stay safe out there and remember to Enjoy the Ride.

KINDERGARTEN

REGISTRATION

Kindergarten Registration for the 2026-2027 school year will be held at the following Elementary Schools:

Marcy Elementary School: Monday, January 26, 2026
Hart's Hill Elementary School: Tuesday, January 27, 2026
Deerfield Elementary School: Wednesday, January 28, 2026
Westmoreland Rd. Elementary School: Thursday, January 29 2026
Registration is open from 9:00am-5:30pm

ELIGIBILITY

To be eligible to enter Kindergarten in September 2026, a child must be 5 years of age on or before **December 1, 2026** and must reside in the Whitesboro Central School District. You must bring: proof of age (birth certificate); and proof of residency: including three (3) of the following: National Grid bill, telephone bill, current NYS driver's license, cable bill, insurance bill, and/or paystub. Immunization records must be presented at the time of registration.

If you have a child who will be eligible to enter Kindergarten in September 2026, please call your school's main office for a registration packet to be mailed out to you. Contact information for each school is listed below:

DEERFIELD ELEMENTARY: 315-266-3410
HART'S HILL ELEMENTARY: 315-266-3430
MARCY ELEMENTARY: 315-266-3420
WESTMORELAND RD ELEMENTARY: 315-266-3440

DEERFIELD YOUTH PROGRAM

Our Youth Program Schedule is for our residential youth. Unless otherwise noted.

January 11th 2026 – **Ice Skating** – 3:00 pm – 4:30 pm – New Hartford Rec Center. (be sure to wear you mittens and long socks)

March 1st 2026 – **Candy Bar Bingo** – Deerfield Firehouse – 1pm – Come early to get your bingo cards and settle in. Donations of Goodies welcomed. (Open to public)

March 22nd 2026 – **Bowling** – King Pin Lanes Rome 1pm – 4pm - (2.5 hours of Bowling)

Deerfield's Winter Olympics Snowfest

2025 – 2026 Snow Fest Sculpture Contest Rules

Our Snowfest Snow Sculpture contest is underway. Our Snowfest event is set for February 7 at Wilderness Park. Our theme this year is Winter Olympics.

The voting will take place at the Snow Fest by all ***Children 15 years old and under.***

We are asking you to join in the Snow Sculpture fun and create your masterpiece. We would love to have it incorporated into our theme, but it isn't necessary.

THESE ARE THE RULES YOU MUST FOLLOW TO ENTER:

- 1. Sculpture MUST be in the Town of Deerfield
- 2. Sculpture MUST be in good taste and appropriate
- 3. Sculpture CAN be created by one or many, please include all names when entering
- 4. Sculpture MUST be a minimum of 3 feet on one side (length, width or height). We are sorry but smaller sculptures won't be admitted
- 5. Sculpture MUST be submitted prior to February 6, 2024 8:00 am to be entered
- 6. Sculpture MUST be submitted to lhajdasz49@gmail.com with an entire address, picture and entrants' names
- 7. You CAN enter as many sculptures as you wish, however only one can win

DEERFIELD HISTORIAN – JON FACCI

Christian Reall, Mark Damuth, and George Weaver pioneered the wilderness of Deerfield, New York. German settlers, allied with the Oneidas, sought to farm the land and seek their own prosperity. Their story was made famous in literature and film by author, Walter D. Edmonds, and iconic director John Ford, respectively, in "Drums Along the Mohawk," published in 1937. The Oneida and the Tuscarora tribes sided with the Americans in their war against the British. The other Iroquois tribes remained loyal to England. The Oneidas warned the early settlers of Deerfield that British and Seneca forces were approaching from the west. As they retreated to a small fort in Schuyler to the east, the Deerfield pioneers hid furniture throughout the forest. Their houses and crops were burned, and their future was uncertain.

The men of Deerfield would muster with the Tryon County Militia under General Nicholas Herkimer at the Battle of Oriskany in defense of Fort Stanwix. The battle was won. Independence would be secured, and, by 1784, George J. Weaver, taken prisoner to England, returned to Deerfield before moving to Utica. Captain Mark Damuth settled on Cosby Manor Road, and Christian Reall resettled on a tributary to the Mohawk River now named Reall Creek. In 1792, a bridge over the Mohawk River was built. On March 15, 1798, the Town of Deerfield was incorporated. Industries such as brick-making, glass, and dairy thrived. By 1817, the Erie Canal project would begin in Rome, New York. Deerfield citizens such as David M. Roberts worked on the canal. The Erie Canal, completed by 1825, marked the birth of civil engineering in the United States. Irish immigrant, Patrick Condon came to America and would purchase 25 acres in Deerfield in 1834. He farmed his land and would work on the enlarged Erie Canal in 1837. Condon's letters to Ireland in his native Irish language are now the subject of scholarship as a rare surviving example of the old written Irish language and was celebrated at the Irish Cultural Center in Utica, New York in early spring of 2025. By 1847, New York State would provide for the incorporation of private companies to construct and improve plank roads and turnpikes. Soon, horse-drawn trolleys and railroads revolutionized travel through the Deerfield terrain.

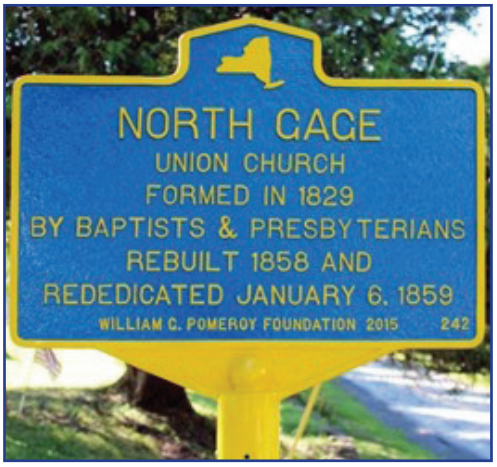

Original letters from the front from our Civil War hero, John Cober, were recently provided by a local woman whose family found these letters written in German in her grandmother's sewing basket and had some translated to English. John Cober, 21, enlisted on August 8, 1862, in Deerfield to the 117th Infantry, Company H. He was Killed in Action on January 15, 1865, at the assault on Fort Fisher in North Carolina. This battle cut the supply chain from Europe as Fort Fisher was a vital port to protect the cotton trade required for the Confederate States to be recognized as an independent nation by foreign governments. This victory over the Confederates would end slavery in our nation. At 10:00 pm, January 15, 1865, Colonel Albert Blackman. Brevet Brigadier General of the U.S.C.T. 27th Infantry accepted surrender of the fort.

On a lighter note, The Sage of Deerfield, New York State Governor Horatio Seymour was the Democrat Party Nominee for President in 1868 but lost to Ulysses S. Grant. As dairy farming would thrive, several cheese factories would emerge. Cornelius Schermerhorn would travel as a consultant for cheese manufacturing to England and Holland. The Deerfield Ravine cut by Reall Creek emerged as a base camp for early iterations of youth scouting in America. In March 1929, a Deerfield farmer on Trenton Road provided a corn field for a soft emergency landing for Amelia Earhardt who would drop in to visit her sister in Utica and dine at the Fort Schuyler Club. In 1951, Dick Clark, New Year's Eve icon, and popular music television pioneer launched his television career on Smith Hill Road in Deerfield for WKTV of Utica.

Generations of children raised in Deerfield fondly enjoy the summertime Deerfield Park program at the Wilderness Park on Walker Road, the Fireman's Field Days, and the Deerfield Sno-Much Fun Winter Festival. Lenten Fish-Fry on Fridays in the Spring as well as a special early visit from Santa each Christmas Season are many of the fun community traditions that we all enjoy in Deerfield. The Whitesboro XC Invitational is a High School Cross Country meet held annually at the Deerfield Wilderness Park. We are proud of our hometown! You would be too, if you lived here.

NORTH GAGE CEMETERY ASSOCIATION

The North Gage Cemetery offers a dignified and serene resting place in the Town of Deerfield, overlooking the foothills of the Adirondack Mountains. The Cemetery Association, incorporated in 1879, had its first burial in February 1810. There are Veterans buried at this historic site from the Revolutionary War to the Gulf wars.

The Cemetery Association is a not-for-profit entity which relies on monetary donations of the community and lot owners. These donations are used to defray the on-going operational cost of the cemetery. Anyone wishing to make a donation, which will be welcomed and appreciated, please make check payable to the North Gage Cemetery Association, 11597 North Gage Road, Deerfield, NY 13502, Attn. Nick DeRosa, Treasurer.

The Cemetery Association annual meeting is Sunday April 12,2026, at 7pm, at the North Gage Presbyterian Church. We will be hosting a caring for your cemetery and flag placing event on Tuesday May 19, 2026, at 5pm. All are welcome! Please follow us on Facebook at North Gage Cemetery for information and updates.

CODE OUTREACH PROGRAM – HOLIDAY EDITION

The Holiday Season is a time for family, friends and fire Safety

The National Fire Protection Association (NFPC) and the Office of Fire Prevention and Control (OFPC) have prepared useful fire safety tips pertaining to candles, Christmas trees, holiday lighting, and other hazards commonly encountered this time of year. These following safety tips and fire statistics sheets can be obtained on the Town of Deerfield Website: www.townof Deerfield.org/government: Click on Department and Codes to find the links below.

- Winter Holiday Safety Tips (OFPS)
- Holiday Candle Safety Tips (OFPC)
- Home Christmas Tree Fires Face Sheet (NFPA)
- Home Structure Fires that began with Donations (NFPA)

Please consider sharing this information with your family and friends. Have a safe holiday season.

MERRY CHRISTMAS AND A HAPPY NEW YEAR from the Codes Department !!

DEERFIELD SENIOR CENTER

The Deerfield Seniors meet on Thursday's each week – Doors open at 10:00 AM for coffee hour and cards and games. Bagged Lunch at Noon and Bingo from 1:00 PM – 2:30PM

A Representative from the OFFICE OF THE AGING will be available at the Municipal Building from 12:30 – 1PM to answer questions you may have.

We coincide with the Whitesboro School Snow Days. If the School is Closed – so are we.

DEERFIELD VOLUNTEER FIRE COMPANY INC.

The Deerfield Volunteer Company has scheduled the following fund-raising events for 2026.

The Deerfield Volunteer Company has scheduled the following fund-raising events for 2026.

Lenten Fish Frydays - February 13, 20, 27, March 6, 13, 20, 27, April 3, 10, 4-7 PM

Chicken Barbecue – June 7 12 till gone

Field Days – June 11, 12, 13

Fall Fish Frys – September 11, 18, 25, October 1, 4-7 4-7 PM

Ladies Auxiliary Craft Fair - November 14. 9-4 (tentative)

The Town of Deerfield morns the loss of George (Skip) Haskell – Long time member of the Deerfield Fire Department and 49 years of service as Town Assessor. He served his community honorably with dedication, expertise, and friendship to so many of us over the years. Fly High George, we will miss you.
